About Netball New Zealand

Netball New Zealand (NNZ) is the national governing body for Netball in New Zealand and has the responsibility for leading the development of the sport throughout New Zealand.

Netball has a proud tradition of widespread participation and sporting excellence from grassroots Netball through to the Silver Ferns. Through its role of developing and managing national programmes for participation, coaches, umpires, and officials. NNZ aims for Netball to continue to be the first sport of choice for women and girls in New Zealand. Netball New Zealand is supported by Netball's zones and Netball Centres who deliver the game to its 145,000 affiliated members and 350,000 plus people who participate in the game annually across New Zealand.

Role Summary

This is a key coaching role for New Zealand's High Performance Pathway and the development of pathway players. The Coach will be required to plan and deliver an U21 World Cup Campaign with the support of the Pathways Program Manager and NNZ High Performance Team. The purpose of this plan will be creating a performance environment and winning culture for the U21s 2025 World Youth Cup Campaign, which ultimately will contribute to producing Silver Ferns who inspire the nation.

Working as part of the NNZ High Performance team, you will work with system coaches to support the player development of nationally identified players and coach the U21 Squad and U21 Team.

Knowledge, Skills, and Experience

- Self-aware in the role, and understands their strengths and weaknesses
- Proven track record of Netball coaching success at a highly competitive level
- Coaching qualifications and training that demonstrate elite coaching capability
- Experience working within a high performance Netball programme
- Knowledge and experience in implementing player development plans
- Excellent relationship and interpersonal skills across a broad range of stakeholders

This is a part-time contracted position from early 2023 through to the WYC in 2025 – and the review period to follow
